of

Nineteen Forty-seven

Published by the SENIOR CLASS of Bryant College,
Providence, Rhode Island

Foreword

The LEDGER of 1947 has been assembled for the purpose of presenting to all students a complete summary of graduates, instructors, campus organizations, activities, and social events. We hope that in years to come this yearbook will help to bring back many pleasant memories of college days spent at Bryant.

DEDICATION

EUGENE R. VINAL

We, the Class of 1947, respectfully dedicate our Yearbook to Professor Eugene R. Vinal, in appreciation for the invaluable guidance and knowledge imparted by him to so many members of this class.

One of the senior members of the faculty in point of service, Mr. Vinal came to Bryant with an excellent educational background and an outstanding record of achievement in the Business world and in the field of Education. He has generously shared this knowledge and experience with his many students.

Mr. Vinal's ability to evaluate the practical application of the theory involved in his various courses in Economics will undoubtedly be of tremendous importance to us as we leave these halls of learning to take our places in the Business World.

A Word From The President

Seniors of Bryant College:—

The college year nears its end and soon you will be one of the thousands of Bryant alumni all over the country. Congratulations to you for work well done.

It would be saddening to me to see another group of young men and women leave Bryant were it not for the eagerness with which I anticipate your happiness and success in the business world for which Bryant has been preparing you.

May the new life you will commence after Commencement be fruitful in happiness and success; and rich in college friendships and memories, strong and unbroken through the years to come.

Founded in 1932, Phi Sigma Nu has grown to be one of the largest fraternities at Bryant College.

The Smoker, the first event of the year, resulted in the pledging of many new members into the fraternity. On October 19, the Harvest Hop was held in the auditorium. In conjunction with its sister sorority, Sigma Iota Chi, Phi Sigma Nu then held a mystery ride.

This past year Stunt Nite was revived at Bryant, in which Phi Sig took an active and outstanding part for which they were awarded first prize.

In cooperation with our sister sorority, the annual Pledge Formal Dinner Dance was held at the Wannamoisett Country Club. Late in January, Phi Sigma Nu, at a stag dinner at Oates Tavern, elected its officers for 1947.

An enjoyable and memorable evening was had by all at the annual St. Patrick's Day Dance, held on the fifteenth of March.

To complete its round of activities, Phi Sigma Nu again competed in basketball, softball, and bowling.

Sigma Iota Chi Sorority was founded by Greer A. Duncan at Alexandria, Louisiana, in 1903, for the purpose of helping others and for helping its members reach the highest possible mental, physical, and moral standards. Sigma came to Bryant in 1925. Throughout every section of the country there are Chapters of Sigma, Bryant being represented by the Beta Theta Chapter.

The visit from Illinois of Mrs. Bott, Sigma's Grand Worthy Matron, highlighted Beta Theta's eventful year. Our social activities of the season included a mystery ride in October that ended with dancing and refreshments at the South Seekonk Gun Club; on December 7, the Candy Cane Hop, an informal dance sponsored by the sorority; the annual Pledgee Formal Dinner Dance at the Wannamoisett Country Club; and the April Showers Ball, Sigma's annual semi-formal.

Jean Carberry, one of Sigma's sisters, was elected queen of the Thanksgiving semi-formal.

Kappa Tau, the newest fraternity on the campus, has made tremendous strides in its short life.

A Hallowe'en dance presented on November 2, 1946, sponsored by Kappa Tau, highlighted the social events of the first semester of this school year.

Fraternity activities during the year included a Pledgee Banquet held at Oates Tavern and an Installation Banquet held at the Sheraton Hotel.

Many new members have been added to the fraternity to strengthen its prestige. Kappa Tau can look back with justifiable pride on this past year and can look forward to the future with confidence that all its undertakings will be successful ones.

Traditionally, every fraternity has a sister sorority. However, Phi Kappa Tau had been sisterless for two years. Therefore, in September of 1946, its members invited a group of girls to join them in order to complete the rostrum of fraternities and sororities on the campus.

Permission having been granted by the Student Council, a charter was drawn by the group, and a Constitution and By-Laws were formulated to correspond with those of Kappa Tau.

Miss Lilian E. Avila, professor of English and Spanish, graciously consented to be advisor.

Tau Epsilon in 1946-47 again added to its achievements in the promotion of scholastic, social, and athletic activities.

The year was filled with many events. Following the Smoker and Pledge Week, held early in the year, was the Thanksgiving Semi-Formal, a dance well remembered by all who attended.

In February, the annual Pledgee Formal was held at the Sheraton Hotel. Soon after, in conjunction with the election of officers, a Stag Banquet was held. One of the brightest affairs held at Bryant during the year was the April Showers Dance in March.

The members of "Tau Ep" will long remember the pleasant times had by all and the many new friendships made during the past year.

Kappa Delta Kappa was founded in 1929 as a national sorority, later becoming a state organization. KDK has this year climaxed its many successful activities by a full schedule of pleasant social events.

Rush Week in October, an initiation banquet, a mystery ride, a roller-skating party, the annual Pledgee Formal, and the Royal Hearts Dance were among the Season's gaieties.

As graduation drew near and many KDK girls were about to leave Bryant, all were keenly aware of the friendships and fun which have enriched their lives as members of KDK.

As a firm believer in the idea that any student possessing the necessary qualities should not be denied the privilege of enjoying the fellowship that prevails in a student organization, Beta Iota Beta has endeavored to open its membership to as many members as is possible.

This past year's social events, sponsored by Beta Iota Beta, included the Smoker, the Annual Pledgee Banquet, a Mystery Ride, an informal Sadie Hawkins Dance, and the Formal Dinner Dance, which was held at the Pawtucket Golf Club, February 1, 1947.

Beta Iota Beta's increase in size and activities since its inception in 1944 are a future assurance to all its members of good fellowship and many good times.

Sigma Iota Beta is proud to announce that this year has been the most successful year since the sorority was founded in February, 1944. Numerous events have been held during the year such as our annual "Sadie Hawkins Dance." Along with the many other social activities, Sigma Iota Beta has participated in a very successful basketball team and a bowling team.

During the past semester, our sorority sponsored a Splash Party which was held at the Plantations Club Pool. This activity certainly confirmed the idea that Sigma had the makings of a championship swimming team.

Our pledgee formal was held at the Pawtucket Country Club. After a delicious dinner, dancing followed to the orchestra of Johnny Glaze and his stardusters.

We are sure that all who participated in our past activities are looking forward to another delightful season in '47 and '48.

The oldest fraternity at Bryant College took another big step forward this year when it became the National Fraternity of Beta Sigma Chi. Since then, several groups in other colleges have united with the Alpha Chapter at Bryant to become part of a fast-growing, national fraternal organization.

The Fall Ball, sponsored by the Alpha Chapter, was one of its gayest and most enjoyable social events.

Beta's bowling team, with traditional vigor and sportsmanship, captured the bowling championship; and the basketball team furnished tough competition for other organizations in the league.

The Alpha Chapter of Beta Sigma Chi takes pride in the work of the past year, looks forward to another year of great advances.

Established in 1928, Sigma Lambda Theta is the oldest sorority on the campus. The Greek letters composing its name represent Sisterhood, Learning, and Honor.

Highlighting the nineteenth year of Sigma Lambda Theta was a series of social events. A Pledgee Formal, held on November 23, launched Sigma Lambda Theta on its eventful season. In October and March, Rush parties were held in the gym with Beta Sigma Chi, Theta's brother fraternity.

At Stunt Night, held on December 18, the sorority won second prize with its presentation of character sketches of various members of the Faculty. The Theta Carnival Dance was held on March 2, and proved to be a great success.

Sigma Lambda Theta's basketball and bowling teams have offered spirited competition in the field of athletics.

As a climax to its activities, the sorority, in conjunction with Beta Sigma Chi, pioneered the publishing of a yearbook, which will act as a perpetual record for the members of the two organizations in years to come.

Sigma Lambda Pi, originally organized as a national fraternity, has functioned under a state charter since 1936. New pledges are accepted and new officers are elected at the beginning of each college term.

The gala Sno' Ball, sponsored annually by Sigma Lambda Pi, is high-lighted by the selection and crowning of a Sno' Ball Queen. Numerous other events are included on the fraternity callendar, headed by the semi-annual formal Pledgee Dinner Dance.

Members of Sigma Lambda Pi offer their competition in various athletic teams, including bowling, basketball, and softball.

Forced to inactivate during World War II, the fraternity turned over temporary sponsorship of its various affairs to its sister sorority, Beta Sigma Gamma. Since its postwar reactivation, Sigma Lambda Pi has increased its membership to its chartered limit, and has again assumed its role as an active Bryant fraternal organization.

Founded and chartered by the state in 1940, Beta Sigma Gamma's members include girls from many points distant to Rhode Island. The sorority colors are blue and white, and the sorority flower is the white rose.

The two main purposes of Gamma are to foster sisterhood and to strive for enrichment of our college life while at Bryant.

Official meetings are held every two weeks. Gamma girls derive much pleasure through wide participation in varied activities.

During the war, while our brother fraternity was inactive, Beta Sigma Gamma managed Sigma Lambda Pi's annual Sno' Ball. Gamma's activities during this past year have been a Pledgee Formal, joint socials with Sigma Lambda Pi, sorority get-together parties, The Windy Hop, a swimming party and picnic, frankfurt roasts, and the farewell banquet.

Chi Gamma Iota, the newest club on the campus, is the result of the desire of the veterans for their own organization.

Several students, who live at the Angell Street dormitory and who are the original founders of Chi Gamma Iota, drew up the skeleton framework of the club and then set about securing new members. By the time of the first initiation, the number of members had almost reached the maximum permitted by the Constitution.

All ex-servicemen attending Bryant College, except those who are already members of a non-religious organization on the campus, are eligible for membership in the Chi Gamma Iota Club.

The main purposes of the club, as set forth in the Constitution and By-Laws, are: (1) to establish a closer relationship between ex-servicemen and the faculty, (2) to increase the social and athletic activities of the veterans, (3) to contact veterans in other colleges in order to re-establish friendships formed while in the service, and (4) to do all in our power to help win the peace now that the war has been won.

MEN'S BASKETBALL

The Day League composed of 7 teams, Bruisers, Rockets, Flying Indies, Sad Sacks, Beta Sigma Chi, Hartford, and Tau Epsilon, and the Night League composed of 4 teams, Bachelors, Angell Street, Eagles, and Sigma Lambda Pi displayed many outstanding players.

The championship games saw the Bruisers, winners of the Day League, matched against the Night League winners, the Bachelors. The Bruisers upset the scheduled three-game series by winning the first two games, thereby making a third game unnecessary.

In the closely played first game, the Bruisers came out on top with a score of 31-27. Teddy Lussier was high scorer for the winners with 7 points, and Gene Matuszek scored the same number for his team.

In the second game, the performances on the part of Dugas and Fernandez of the Bachelors sparked the floor play. However, the final score again stood in favor of the Bruisers, 34-20. John Sadowski, school's second highest scorer, and Al Genga paced the winners with 9 points. "Duke" Dugas stole the scoring honors for the Bachelors with 11 points, and ended the season with 167 points.

The Round-Robin Tournament was won by the Sad Sacks and the Day League won the All-Star Game by a score of 41-35.

GIRLS' BOWLING

K.D.K., Sigma Lambda Theta, and George Street all were close contenders for the bowling championship up until the second last week of play. Mary Monti really came through in the needed moment when she rolled games of 106, 96, and 105, thereby helping K.D.K. come one step closer to the championship. Marjorie Riechenbach of the George Street team proved to be the most consistent bowler in the league, knocked down 4089 pins in 45 games, averaging a high 90. The George Street team had a total pinfall of 17,762 pins as compared to Sigma Lambda Theta's 17,682, K.D.K.'s 15,387, Sigma Iota Beta's 8174, and Stowell House's 7990 pins.

BRYANT COLLEGE, PROVIDENCE, R. I.

JUNE, 1946

New Memorial Building to Be Completed in August

Added Facilities Greatly Needed for Anticipated Record Enrollment

Bryant students have been watching, with interest, the progress of the construction of the new building on Charles Field Street between Eldridge and Harriet Halls. Announcement has been made by the College Administration that the structure will be open to the Business Administration students soon after August 1. There are to be four classrooms with an overall capacity of two hundred students. In addition there will be a center hallway with a lavatory on each side.

The architect has been Mr. Oliver O. Gauvin and the Westcott Construction Company was awarded the contract for erection.

The building is constructed entirely of cinder-block, brick, and steel with asphalt floors. It is to have all modern, portable furniture and fluorescent lighting. The latest type heating equipment will be put in the basement to allow more space available for classrooms.

With an anticipated enrollment of from fourteen to fifteen hundred students this September, the opening of this new building will be welcome news to all.

Another new feature to be made available to all students will be an athletic field and two shuffle boards on the entrance walk in front of the building. Bryant College is making great strides toward building up the facilities available to their students and we are looking forward to the grand opening in August.

Stowell Honors Brunonians

A closed dance, sponsored by residents of the Stowell House was held Friday, May 17. Invitations were extended only to Brown University students.

COMING EVENTS

- June 7—Beta Sigma Gamma—Sigma Lambda Pi Social.
- June 8—Sigma Lambda Theta Semi-Formal.
- June 14—Assembly — Guest Speaker: Prof. Irving Cannon of the Rhode Island School of Design. Topic: "How to Appreciate Art."
- June 14—The Greek Letter Dance.
- June 20—"Spring Concert" presented by the Glee Clubs of Bryant.

NEWMAN CLUB MEETING

The monthly meeting of the Newman Club was held in the school auditorium, Wednesday, May 15, under the direction of the new president, Walter Brosseau.

The beginning of the evening was devoted to a business meeting at which Eileen Kingsley, who has done such an excellent job of getting speakers for our club, was re-appointed chairman of the Speakers' Committee. Those who volunteered to help Eileen were: Betty Evans, Omer Brisson, Mildred Valenta, and Ruth Carty.

It was decided that Jean Drozd, former chairman of the Refreshment Committee, should choose the new members. They are: Connie Heraux and Millie Kalek.

Father Thomas Kelly of St. Joseph's, our moderator, gave a very interesting talk, answering questions previously asked of him and those asked at this meeting.

At the end of the evening, everyone enjoyed the cokes and cookies that Connie and Millie had waiting for us.

ATTENTION, CAR OWNERS!

Were you one of those disturbed persons who received a parking ticket on your automobile? If so, you will be particularly interested in this article.

The problem was brought before the Student Council and that body appointed a committee to investigate the situation and report in two weeks.

The Committee first asked themselves the question, "Why can you park on the East Side at 10:00 and not at 8:00 a. m.?" The answer was readily offered by the Medical Association. That group had protested to the City Council that the doctors maintaining offices and residences on the East Side couldn't park adjacent to the property at 8 o'clock because of the other vehicles.

A petition was taken up on the campus. Mr. E. Gardner advised the committee to present the list to the Veterans Administration. The various Veterans Organizations throughout the state protested to the Bureau of Police and Fire, along with Bryant College and Brown University, who are also having the same difficulties.

A meeting was arranged between Mr. Mancini, Traffic Engineer, and representatives of Brown University, the Medical Association, and Bryant College. At this conference a proposal was submitted by the educational institutions that they be permitted to park automobiles adjacent to their property.

The traffic ordinance has taken this plan into consideration and after a survey has been made they will make their decision. It is felt, at this time, that a favorable solution will be offered.

If the proposed plan is approved, parking will be permitted on one side of Charles Field Street, between Hope and Brook, Hope Street between Young Orchard Avenue and Benevolent, Young Orchard Avenue between Hope and Cook, and Benevolent adjacent to the Auditorium and Cafeteria. M.B.

Bus Accident Delays Bobby Byrne

Students Dance 'Til Sunrise

The May 6 copy of DOWNBEAT magazine contains pictures and a news item which is of interest to all those who plan to attend the Greek Letter Formal to be held at the Biltmore Hotel on June 14. The article is released from Athens, Ohio.

Ohio University engaged Bobby Byrne and his orchestra for its annual Junior Prom. A bus accident delayed the band's arrival until 1:30 a. m. Undaunted, the huge crowd of dancers waited until the band's arrival after which they danced until sunrise.

Pretty Jeanne Berkley, Bobby Byrne's feminine vocalist, offered many sweet renditions of the songs you like to hear. Jeanne will accompany the Byrne orchestra at the Biltmore on June 14, for your listening and dancing pleasure.

PROFESSOR CANNON TO SPEAK

At the assembly on June 14, Professor Cannon, Professor of the History of Art at the Rhode Island School of Design, will give a lecture entitled, "How to Appreciate Art."

Professor Cannon has been instructing students in architecture, painting, sculpturing and minor arts at Rhode Island School of Design for the past 13 years. Previous to this time he was located with the Tennessee Valley Authority in Washington, D. C.

He was awarded a Bachelor of Arts degree by Antioch College in Yellow Springs, Ohio, where he later became a member of the faculty. He secured his Master's Degree from Columbia University in New York City.

While at Antioch, Professor Cannon won two scholarships, a Carnegie to Harvard and a scholarship to Sorbonne University in Paris.

THE ARCHWAY

The Archway, a student newspaper whose purpose is to act as a mirror reflecting campus life, has passed another milestone. Recently it became a member of the Rhode Island Collegiate Press Association, an organization whose membership is composed of Editors of the Brown Herald, Pembroke Record, R. I. State Beacon, R. I. C. E. Anchor, Providence College Cowl, and The Archway.

The publication has this year added another executive position to its roster, that of Editorial Director. This position has been competently held by Miss Ruth Karstens.

The Key is the honor society of Bryant College. Membership entitles one to wear the symbolic Key-shaped gold pin, for which honor Bryant students eagerly strive.

In order to be eligible for membership, students in the School of Business Teacher Training must be on the Dean's List for six marking periods or four consecutive marking periods. Students in the School of Secretarial Science enrolled in a degree program and students in the School of Business Administration must be on the Dean's List for four marking periods or three consecutive marking periods. Students in the Secretarial School, Diploma candidates, must be on the Dean's List for three out of four marking periods.

Membership in this organization brings not only justifiable pride in work well done, but it is a convincing proof of scholastic standing and ability to future employers.

Beta Chi Tau, the teacher-training organization of Bryant College, was founded in March, 1939, through the efforts of Professor F. D. Hammond.

The two-fold purpose of this organization is to give the members an opportunity to help each other as much as possible and to keep the Commercial Teacher Training students in touch after graduation with the College and other members of Beta Chi Tau.

In September an informal party was held in Memorial Hall. Freshmen C. T. T. students were officially welcomed into the club at a banquet held at Tophill in October, which was well attended by members, alumni and faculty.

In March, Beta Chi Tau celebrated St. Patrick's Day with a gala party held in the school gym. During March two members of the organization attended the conference of the New England Association for Professional Schools for Teachers held in New York. With their return, they brought back new ideas and helpful suggestions on how other teacher-training schools are operating.

Climaxing the year, a well-remembered and thoroughly enjoyed frankfurt roast was held.

 Third row: A. Acker, G. Barlow.

Under the capable direction of Professor Ralph S. Handy, the orchestra, comprised of talented Bryant students—many of them veterans—is a popular organization on the campus.

At the annual Christmas assembly, special music was played while the Bryant student body gayly sang Christmas songs and carols.

The orchestra took part in the festivities on Stunt Night, playing among other numbers, a medley of old favorites which was well received by the audience.

Last June, the orchestra, in conjunction with the men's and girls' glee clubs, presented a formal Spring Festival.

The orchestra is constantly growing and is proving to be one of the most active organizations of the College.

During the past year the Girls' Glee Club, under the direction of Mr. Ralph S. Handy, has proven to be one of the most active organizations on the campus.

This group of forty-one girls banded together because they enjoy singing and appreciate music. At various times during the year the girls combined with the Men's Glee Club and presented their different songs "a cappella."

The activities of the season included singing at the All-College Christmas Formal, at the Christmas Assembly, Yuletide carolling, the Spring Concert, and singing at the Class Day exercises. The repertoire of the Glee Club consisted of familiar light classics and popular music.

The Masquers, the dramatic organization of Bryant College, is of special interest to those who enjoy the work associated with dramatics and those who enjoy actual participation in dramatic presentations.

In the fall of 1946, Kenneth Bongirno took over the presidency. Under his able leadership and that of our director, Miss Dorothy Buchler, the Masquers presented in December two one-act plays, "She Was Only a Farmer's Daughter" and "Are We Dressing?". The trials and tribulations of rehearsals were compensated by a hit performance before an appreciative audience.

The Masquers came through, in March, with another outstanding attraction, a musical comedy, "Coal Black Joe and the Seven Babes," which was written by Ray Stephens, one of the members. Plans at that time were being formed to produce a three-act play, to be presented later in the spring.

Another successful year can be viewed with pride by the members of the Masquers.

The Student Activity Council, a comparatively new organization organized in September, 1945, is made up of representatives from the various groups on the campus. It co-operates with the Administration in making and enforcing the laws which govern students' activities. This government, by the student and for the student, has proven very valuable in obtaining majority opinion of all attending Bryant College.

In co-ordination with the Administration during the past year, the Council fostered an All-College Dance, an All-College Hayride, the Christmas Ball, Stunt Night, an All-College Outing, and the Commencement Ball.

Last year the Newman Club was reorganized by Mr. Robert Birt. Since its reorganization, the club has flourished and become an integral part of the school's roster of active groups. Invited to its monthly meetings are guest speakers, who speak on varied and extremely interesting topics, which are usually followed by a short discussion period.

In October, Rev. William Condon, SS. CC. from Washington, D. C., spoke about the origin of his order and Father Damien, the leper priest. In December there was a record attendance at the regular club meeting, when Rev. Harry Kelley, a favorite with Newmanites, spoke on the ever-popular subject, "Love and Marriage." An interesting speech was given by Rev. Charles McKenna, O.P. of Providence College, on his experiences while in Spain, and on that country's conditions today. An excellent movie was shown in March, revealing some of the steps leading to the ordination of a priest. The significance of many of the impressive ceremonies was later explained in detail by the moderator, Rev. Thomas Kelley.

In April a three-day retreat in St. Joseph's Church and the annual Communion Breakfast were gratifying and joyful occasions to those who attended.

The Greek Letter Council, an organization whose membership consists of the presidents of Bryant's twelve Greek Letter Societies has completed another banner year.

The purposes of the organization are to foster inter-fraternity and sorority relations and to competently enact and enforce regulations pertaining to fraternity and sorority life.

This year, the Council sponsored its tenth annual Greek Letter Formal. Once again attendants at this traditional event danced under the chandeliers of the spacious Biltmore Ballroom.

On March 2, 1947, the Hebrew Co-Ed Club was organized by Myer Lindenman, Jack Wilkes, and Selma Warner to bring together the students of the Hebrew faith.

The purposes of this organization are to prepare college students for responsible participation in American democracy and to give Jewish students intelligent and adequate preparation for participation and leadership in the Jewish Community. These aims will be accomplished by adhering to the high standards and principles of the College through the medium of an interfaith program, which is cultural, educational, and social.

For the present, the Hebrew Co-Ed Club is an independent organization, but hopes to combine in the near future with the National Hillel Foundation, which is established at 166 Universities throughout the United States.

BRYANT COLLEGE ALMA MATER

(Tune—"Annie Lisle")

Where brave Narragansett warriors
 Once pursued their game,
 And where Roger Williams settled,
 Later on there came
 To the hillside famed in story
 Bryant College; So
 Now we sing to her our praises
 With our hearts aglow.

REFRAIN

Join the chorus, swell the music
 Sound the glad refrain
 Bryant College,—alma mater
 Hail to thee again.

In a proud New England city,—
 Providence her name—
 Widely known throughout creation,
 City of fair fame,
 Stands the College, loved by thousands
 One we all hold dear;
 We'll unite and sound her praises,
 With a song and cheer.

Friendships formed within thy portals
 Ne'er shall broken be
 And we'll always cherish mem'ries
 Bryant fair, of thee.
 Prexy, profs, and fellow students,—
 'Tis our final will—
 In our mem'ries' sacred album
 Each a place shall fill.

L. N. H.

BRYANT FOREVER

Bryant, forever! Alma Mater, dear.
 We are wiser
 Beyond measure
 Having learned our lessons here.
 With stout hearts
 And with strong minds
 We now meet life's tasks anew.
 Bryant forever
 Our hearts ring true.

Bryant forever! Alma Mater, dear.
 Loudly we'll sing
 To you bring
 Loyalty through the fleeting years.
 For our mem'ries
 And our friendships
 And our happy days with you.
 Bryant, forever
 Our hearts ring true.

Congratulations And an Invitation

Dear Bryant College Graduate:

Congratulations on your graduation from Bryant College! Perhaps you are entering the teaching profession, perhaps the field of business. In either case, the publishers of GREGG SHORTHAND, the most widely used system in the world, and of several hundred different texts devoted to a wide range of business subjects, are ready to help you achieve success in your chosen career.

GREGG SHORTHAND was first published in Liverpool in 1888 and republished in Boston in 1893—more than a half century ago. Today, Gregg Shorthand is America's STANDARD SHORTHAND SYSTEM. It is:

- The shorthand system adopted for exclusive use in more than 96 per cent of the public, private, and Catholic schools and colleges in the United States.
- The shorthand system selected by the United States Armed Forces Institute for all branches of the armed forces.
- The shorthand system written by world's champions, including Martin J. Dupraw, permanent holder of the World's Shorthand Championship Trophy, and by thousands of stenographers, secretaries, and reporters in towns and cities throughout the country.

The Gregg program of publications includes several hundred basic and supplementary textbooks; scores of teachers' keys, handbooks, and other service materials; and seven magazines. It embraces materials devoted to a wide variety of business subjects in addition to GREGG SHORTHAND.

You are invited to write our nearest office for information about our publications and services. If you are entering the teaching profession you are welcome to the teachers' aids—keys, handbooks, courses of study, and so on—that accompany the Gregg texts used in your classes. Our staff of subject-matter specialists and our field representatives will be glad to assist you with your teaching problems. Simply for the asking, it will be a pleasure to recommend and submit for your consideration Gregg textbooks and supplementary materials that meet your particular needs.

Let us help you succeed in your chosen career.

• Take her **first** to a Fowler and Tamara expert — and make sure that she gets her dancing life started **right**.

Parents are to blame when boys or girls are clumsy, inconsiderate, **unpopular** partners. It's surprisingly inexpensive

to give them Fowler & Tamara's superb teaching. Children just love it. They're assigned teachers who understand children and know how to give them confidence.

Don't wait and risk your child's happiness. Start lessons now—a few hours at Fowler & Tamara's will assure a future filled with fun and popularity. Phone DE 0966 or come in with your child.
